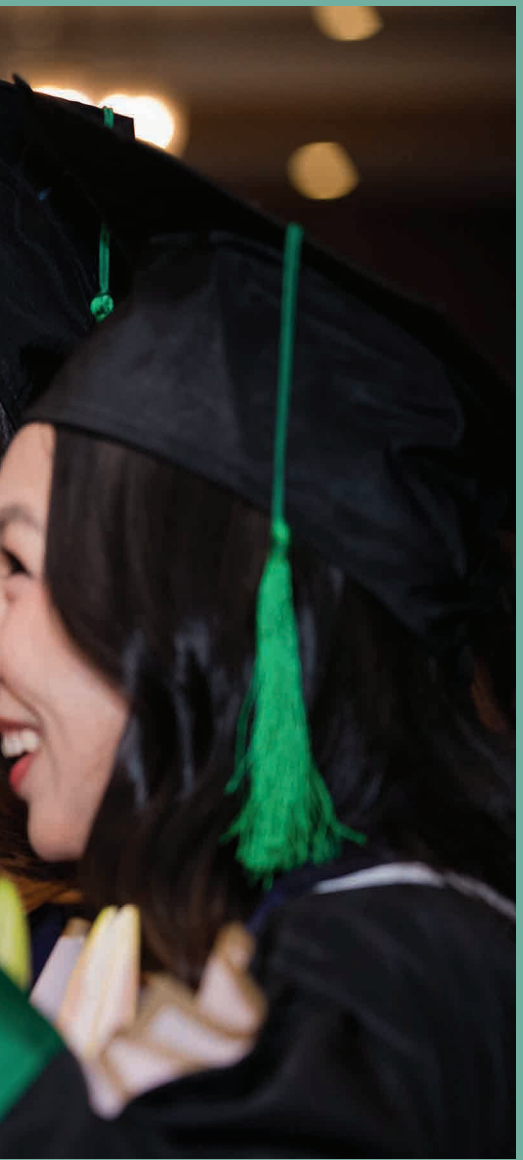
ACE
INTERNATIONAL
BUSINESS
SCHOOL



Ace International Business School (Ace-IBS), a collaborative effort of Ace Group of Institutions, to offer an international standard management education in the country, started in the year 2015. Affiliated with Glasgow Caledonian University (GCU) in Glasgow, UK, Ace-IBS has been offering undergraduate and graduate programs of international repute.

Glasgow Caledonian University (GCU) is a distinctive, inclusive, and forward-looking university committed to its social mission of promoting the common good. It has become an international center of excellence in higher education, emphasizing employability and global citizenship in its graduates. The university's support and commitment to the student experience, combined with world-class research, have garnered recognition. For over 32 years, GCU has provided high-quality management education and professional development, collaborating with business leaders, policymakers, and like-minded academics in the United Kingdom and overseas.

Ace-IBS currently offers Bachelor of Business Administration (4 years), Bachelor in Fashion Design with Business (4 years), BSc (Hons) Computing (4 years) and Master of Business Administration (2 years) programs. Located in New Baneshwor, with well-developed infrastructure and state-of-the-art facilities, Ace-IBS provides a conducive learning environment for students to enhance their educational experience. It aims to create a unique 'Aceperience' for students, developing them into contributing citizens in today's dynamic landscape.

The undergraduate and graduate degrees awarded by Glasgow Caledonian University are fully recognized by the Ministry of Education, Government of Nepal.

BACHELOR OF BUSINESS ADMINISTRATION [BBA]

The BBA program at Ace-IBS adopts a holistic approach to enable students to learn about themselves as well as the dynamics of the professional world around them. This well-tailored program embraces an inquisitive and reflective approach, where our students sharpen their analytical, reflective, and critical thinking skills as they advance through various modules.

The international standard curriculum and the practical learning approach of the program inculcate a spirit of inquisitiveness and innovation in the students, enabling them to analyze and interpret the dynamics of the professional landscape.

ELIGIBILITY

Higher Secondary or its equivalent.

To learn more about the program and to apply, simply scan the QR code below.

BSC (HONS) COMPUTING

BSc (Hons) Computing is a four-year undergraduate program offered by Ace International Business School, with the degree awarded by Glasgow Caledonian University (GCU), Scotland. Fully recognized by Nepal's Ministry of Education, the program provides a strong foundation in computer science and applied computing, equipping students with the technical and professional skills required to excel in today's digital world.

Developed in collaboration with GCU, the curriculum covers programming, software engineering, databases, networking, cloud computing, data science, mobile and web development, big data, IoT, and cybersecurity. The course emphasizes hands-on learning through practical labs, group projects, and an Honours Project in the final year.

Students also gain insights into human-computer interaction, DevOps, research methods, and professional issues, fostering creativity, innovation, and ethical practice. By integrating technical depth with real-world application, the program produces future-ready professionals and responsible digital leaders capable of designing and managing advanced digital solutions globally.

ELIGIBILITY

Higher Secondary or its equivalent.

BACHELOR IN FASHION DESIGN WITH BUSINESS BA [HONS]

The Bachelor in Fashion Design with Business program at Ace International Business School is a unique interdisciplinary offering that blends creativity with commercial acumen. Developed in collaboration with Glasgow Caledonian University (GCU), the program equips students with a strong foundation in contemporary fashion design while embedding essential business and entrepreneurial skills. Emphasizing sustainability, innovation, and global perspectives, the curriculum is designed to foster not just fashion designers, but future-ready professionals who can thrive in creative industries worldwide. Through hands-on learning, industry exposure, and an emphasis on ethical and responsible leadership, students gain the technical expertise, digital fluency, and business insight needed to navigate and lead in the evolving world of fashion.

ELIGIBILITY

Higher Secondary or its equivalent.

MASTER OF BUSINESS ADMINISTRATION [MBA]

This distinctive Global MBA course offered by Ace International Business School in affiliation with Glasgow Caledonian University, Glasgow, UK, is designed for enterprising and socially-minded individuals with aspirations to become professional managers with an instinct for creating sustainable businesses in a socially responsible manner. The practical and applied structure of this Global MBA provides insights into the everyday challenges confronting managers within a range of businesses and organizations across the globe.

The Global MBA at Ace-IBS emphasizes the role, contribution, and integration of key business functions to enhance the ability to design and deliver effective organization-wide strategies. The program strongly works towards empowering students with the proper knowledge base and skill sets to take up a variety of roles, including but not limited to leadership, negotiation, collaboration, critical thinking, problem-solving, communication, interpersonal skills, creativity, innovation, and emotional intelligence.

ELIGIBILITY

Completion of Bachelor's degree before the session begins.

EXTRACURRICULAR & CO-CURRICULAR ACTIVITIES

Throughout the curriculum, at Ace-IBS, we strive to combine academics with well-planned, interactive, and fun-based extracurricular and co-curricular activities that help students advance their learning in chosen sector.

CULTURAL FEST

This vibrant celebration features diverse student-led performances to honor national cultures and traditions.

DECODED

This case competition encourages students to apply analytical and strategic thinking to real-world business problems.

ACE-IBS FIESTA

A student-led event that blends entrepreneurship and cultural celebration, offering businesses a platform to showcase their work.

MAGICAL WINTER NIGHT

An annual festive celebration that wraps up the year with music, memories, and shared joy among the student community.

ORIENTATION

This one-day program helps incoming students build connections and understand the core values of the institution.

INTERNATIONAL EXPOSURE

This initiative offers students global learning opportunities through international visits that combine academics and leisure.

INDUCTION PROGRAM

Designed to ease the transition into college life, this program builds foundational skills and introduces campus resources.

PANEL DISCUSSIONS

A few times a year, leading industry experts visit the college to discuss emerging trends and topics.

ACE-IBS WEAKEST LINK

This unique quiz competition emphasizes strategy over knowledge, eliminating participants until 'The Strongest Link' remains.

GRADUATION CEREMONY

Held annually, this celebration marks the culmination of students' academic journeys and honors their accomplishments.

INDUSTRIAL TOURS

These visits to production sites provide hands-on exposure to industry operations like manufacturing, logistics, and sales.

THEATER PROGRAM

A two-month program that fosters creativity, collaboration, and self-discipline, ending with a grand theater showcase for family and peers.

WELCOME & FAREWELL PROGRAM

The event celebrates both beginnings and endings—welcoming new students while honoring outgoing graduates.

ACOUSTIC NIGHT

This musical evening brings students from different colleges together to perform and celebrate a shared love for music.

GUEST LECTURES

These sessions invite industry professionals to share practical insights that complement academic learning.

PLACEMENT WEEK

The placement week, organized for every outgoing cohort, includes grooming sessions to prepare the students for Placement Day that takes place on the final day.

SOCIAL WORK PROJECT

Through this initiative, students engage with communities to understand social structures and cultural dynamics.

ACE-IBS AGORA

A marketing competition that challenges students to present innovative strategies to a panel of judges.

TEA PARTY

Hosted by juniors, this warm event encourages bonding through fun games and friendly conversations.

COURT VISIT

These visits offer students firsthand exposure to legal environments through tours of the Supreme and High Courts.

ACE-IBS CHAMPIONS TROPHY

An intra-college sports tournament that builds leadership, discipline, and teamwork through friendly competition.

INTERNATIONAL COLLABORATIVE PROJECT

It brings together students from Ace-IBS and visiting international students from GCU to tackle real-world challenges while fostering cross-cultural teamwork.

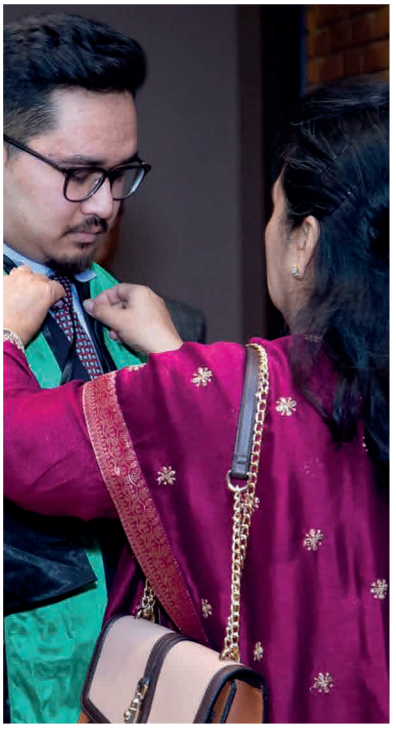
LIFE AT ACE



ACERS TALK ABOUT THEIR ACEPERIENCE

My MBA journey at Ace International Business School has been an incredibly rewarding experience. The faculty members are highly qualified and genuinely engaging. The program offers ample opportunities to enhance public speaking skills, and the curriculum effectively bridges theoretical knowledge from undergraduate studies with real-world application.

Kavya Tulsyan
Global MBA, Spring 2025

Studying at Ace-IBS has been more than just an academic journey; it has been a transformative experience. From the very beginning, I felt that my voice mattered. What stands out the most is the encouraging atmosphere; it's a place where I'm not just allowed, but invited, to speak my mind. Classes go beyond lectures; they're lively and highly interactive. Beyond academics, a lot is happening here, from clubs to events. Being part of this vibrant community is something I'm truly grateful for.

Abhigya Shakya
BBA, Fall 2024

Pursuing BBA at Ace-IBS has been a truly enriching journey. The friendly and approachable faculty, combined with a professional learning environment, has helped me grow both academically and personally. I'm proud to be a part of Ace, where excellence and support go hand in hand.

Giniz Pokhrel
BBA, Fall 2024

My journey at Ace International Business School has been truly transformative. Having completed my Bachelor's here and currently pursuing my Master's, I've gained valuable academic knowledge alongside real-world exposure through events and teamwork. The supportive faculty and vibrant campus culture have fostered my growth, shaping me into a confident and capable individual ready to embrace the future global business challenges with determination and resilience.

Bhaswat Man Joshi
Global MBA, Spring 2025

From merely surviving to truly striving, Ace-IBS, once an acronym filled with uncertainty, now feels natural on my lips. What began as a chapter of self-discovery soon unfolded into vibrant, surprising pieces of who I am. Ace-IBS gave me more than a degree; it gave me a future, a direction, and a journey worth taking. The growth I was searching for was always around me: in the loud laughs, the hard days, and the people who truly mattered. In the end, it's not the place that makes it special; it's the people who do.

Rajeshmi Shrestha
BBA, Fall 2024

Right now, at Ace, I feel like a butterfly mid-transformation. I came in wrapped in uncertainty, but I'm discovering my wings one moment at a time. The people, the growth, the space to evolve- it's all shaping wonderfully into the person I'm becoming. I haven't taken off yet, but I know the best part of the flight lies ahead.

Shikha Basnet
BBA, Fall 2024

Studying MBA at Ace has been a life-changing journey. The blend of academic knowledge and real-world business experience has given me clarity and direction. Supportive tutors, a nurturing environment, and excellent facilities guide us at every step. Ace is truly a place to explore, grow, and learn.

Prabina Prasai
Global MBA, Spring 2025
